Quadro generale dell'epoca Romanticismo inglese e Lettera vittoriana

Overview : This year we will study the works of the Romantic poets and the main concepts of Romantic thought, leading to the early 19th Century , the Victorian age and the development of the novel. Key issues and social movements will be analysed as background to the literary texts in question. A module will prepare for the IGCSE Language and Literature papers (to be examined in May 2016)

- Please **watch** the following three programmes (Youtube) <https://youtu.be/oLwRXISgiSQ> - The Romantics - Liberty, Eternity and Nature , and make short notes under the following headings : Imagination, Inspiration, the Individual, Emotion ,Nature and the Sublime.

William Wordsworth : **Read** My Heart Leaps Up and Daffodils. Using the Internet (or Performer pages 216 -217) for your research make short notes (10 lines each) on Wordsworth's work using the following headings :

1. What he stated in the Preface to Lyrical Ballads regarding poetry
2. What view he had of nature and man
3. How poetry originates
4. What the poet's task is

Watch Bright Star (film on the life of John Keats)

Songs of Ourselves (poetry for IGCSE – PLEASE CONTACT kirstyramsbottom@hotmail.com if you wish to take IGCSE Literature in May 2016)

You will find extra course material on the L1 Year 4 Facebook page which you may use at your discretion . Please contact kirstyramsbottom@hotmail.com with any questions.
